## President's Welcome

Welcome to the Glen Rock Shooting Club! Even though the club has operated for the last 128 years, we continue to try to throw the best targets and give all our members and guests a great trap shooting experience. We have made a number of changes to the club in the past year and have great plans for the future.

In addition to replacing the ceiling in the main part of the clubhouse, we've also replaced the lights, fans, much of the old paneling, opened up the kitchen and updated the windows and HVAC. Outside we have added lights to two of our fields and plan to update the other lighted fields in the future. We have replaced our old scoring chairs with nice sturdy ones (we want our scorers to be happy so they can see every chip.)

The Glen Rock Shooting Club is proud to be the host club for the Mason Dixon Clay Busters and the PEN-MAR regional youth trap shoot. The Mason Dixon Clay Busters youth organization is a really great group of young athletes that participate in both AIM and SCTP events in PA, MD, VA, NJ and OH.

We are very excited about becoming part of the Tri-State Trap League! If you've never shot the league, you should definitely give it a try and we'd be thrilled if you shoot for us. The League is shot at 7 different clubs in 4 states, so it's a lot of fun to visit new clubs and meet new people. For more information on this league visit <https://sites.google.com/site/tristatetrupleague/home>.

At Glen Rock all trap shooters, regardless of skill level, are always welcome. We are open to the public each Thursday from March 21 through December 5, starting at noon and closing at approximately 8:00pm. Please check our website [www.glenrockrockshootingclub.com](http://www.glenrockrockshootingclub.com) for additional practice dates and times. We have singles, handicap, doubles, and wobble trap. The wobble trap will be open each practice day. We offer four lighted trap fields for evening shooting.

Trap loads are available for sale in a limited variety.

We have scheduled five ATA registered shooting events for 2024. We will continue to offer a "targets only" rate (\$24 per 100) for our 2023 registered shoots. If a shooter does not wish to shoot for trophies they can sign up for this category. Shooters choosing this category can still play the options.

I hope you come visit us in 2024!

Sincerely,

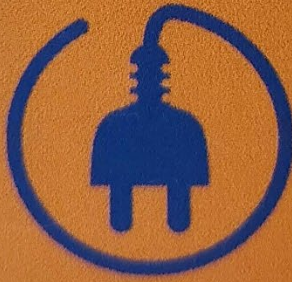

Chuck Meekins

For 100 target events a number between 70 and 100 will be drawn. The shooter or shooters who have this number will win the "pot", ties divide. If no one has the number drawn the pot carries over to the next shoot. At the final shoot of the season we will continue to draw numbers until there is a winner.
